Very Attractive Prices on

EVERGREENS, BOXWOOD, SHRUBS, SHADE AND
FRUIT TREES, GRAPE VINES, ROSES, ETC.

EIGHT SPECIAL COLLECTIONS AT
MATERIAL DISCOUNTS

FOREWORD

QUAINT ACRES NURSERY STOCK is grown under conditions insuring experienced and sympathetic attention, and is sure to please the most discriminating purchaser. Our location, only five miles from the District of Columbia line, insures, on local orders, the minimum time between digging from the nursery and planting where required. This is a distinct advantage and greatly favors the plants. All evergreens, boxwood, rhododendrons, as well as numerous shrubs, are dug with generous balls of earth around the roots and burlapped when necessary to hold the earth in place. With proper care after planting, this means practically 100% survival of the plants.

We shall be glad to advise you concerning your landscape problems or, submit plans for your approval, and take complete charge of the work. It is our desire to co-operate to the fullest extent possible with the home owners of Washington and its suburbs in the embellishment of the home grounds, and thus help to maintain and increase our enviable reputation of having the most beautiful Capital in the world.

For the convenience of our customers we have made up several COLLECTIONS OF PLANTS, of carefully chosen varieties, which are priced at attractive discounts. Preceding the list of collections will be found our price list of plants, from which those desiring to do so, may make their own selections. They are all hardy varieties for this region, well developed for the height or size indicated, and are sure to give satisfaction. Varieties of plants not listed can be furnished if you will advise us of your requirements. PLACE YOUR ORDER NOW.

If it is not feasible to make a fairly complete planting of the grounds all at once, a start should be made without delay. Make out your planting plan and each year add a few plants. If medium-sized, well chosen varieties are purchased, as listed in the following pages, these plants will quickly increase in size and worth.

DELIVERY: We deliver all plants in Washington and immediate vicinity, and, if so requested in advance, will plant where desired, for a nominal charge. In the absence of specific instructions, plants will be delivered by truck (or parcel post in the case of small shipments) in suitable time for planting. Customers will be notified by telephone or by letter of the day to expect arrival of order. More distant orders will be shipped by express or freight at expense of purchaser.

TERMS: Cash with order, or satisfactory references. Send check, money order, or bank draft. Money by mail is at sender's risk.

AN INVITATION to visit our orchards and nurseries is always open to you. If possible, make your selections of plants at the nursery. Remember that we operate the largest fruit farm in the immediate environs of Washington. Late July, August and early September are the months for high quality, tree-ripened peaches; late August and September are the months for grapes, while apples and sweet cider can be had from late September to Christmas. To reach the orchard, drive through Silver Spring (on Georgia Avenue just out in Maryland), turn to the right at Sligo, and follow the concrete pike to the sign "QUAINT ACRES" at the entrance to the farm.

Price List of Popular Varieties of Trees and Plants

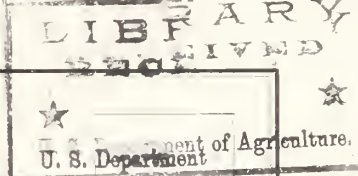

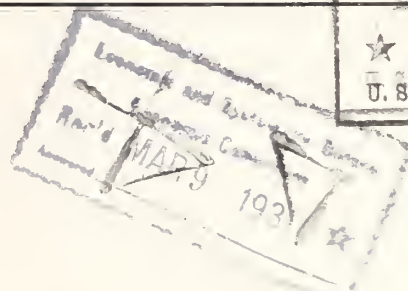

EVERGREENS

We list below varieties and sizes most frequently desired. Write for prices on sorts and sizes not shown.

	Each
JUNIPERUS communis hibernica (Irish Juniper). 18 to 24 in.....	\$2.50
excelsa stricta (Spiny Greek Juniper). 12 to 15 in.....	2.50

Paul Neyron Rose.

Killarney Rose.

Radiance Rose.

FRUIT TREES, GRAPE VINES, ETC.

QUAINT ACRES is well known for its high quality, tree ripened peaches, grapes, apples, etc. In our experience only a few varieties of fruit trees and vines are required to furnish fruits over the season, and we list below those which we consider most satisfactory.

APPLE

Choice 4 to 5 ft. trees priced at 75c each.

Yellow Transparent. Ripening in July.
Williams. Large, red. Early August.
Red Astrachan. Medium size, excellent July apple.
Maiden's Blush. Pale yellow, red cheek. August to October.
Oldenburg. Yellow, crimson streaked. August to September.
Smokehouse. An old-time favorite. September to October.
Wealthy. Juicy and crisp, mostly red. September to October.
Delicious. Flesh white and tender, sweetish. November to March.
Grimes Golden. Golden yellow, crisp and juicy. October to January.
Stayman Winesap. Large, red, juicy. October to March.
York Imperial. Yellow meat and red striped skin. October to March.

PEAR TREES

Standard, stocky 4 to 5 ft. trees, at \$1.25 each.

Bartlett. Large, yellow. July and August.
Duchess. Greenish yellow, fine quality. September.
Kieffer. Yellow, with red cheek.

PEACHES

Select, 4 to 5 ft. trees, at 50c each

Carman. Creamy white, red blush, semi-cling. Late July.
Champion. Large, white, with red blush, free stone. Late July.
Hiley Belle. White flesh, covered with red, free stone. Early August.
Georgia Belle. White, red blush, free stone. Middle August.
Elberta. Large, yellow fleshed, free stone. Late August.
Heath Cling. The best cling stone. September.
Salway. A yellow meated free stone. September.

CHERRY TREES

Well grown, 3 to 4 ft. trees, at \$1.00 each.

Richmond. Sour. Late May.
Montmorency. Sour. Early June.
Yellow Spanish. Sweet. June.
Black Tartarian. Sweet. June.

PLUM TREES

Good 4 to 5 ft. trees, at \$1.00 each.

Abundance. Japanese. Flesh yellow and juicy. Mid July.
Burbank. Red skin, flesh deep yellow. Late August.
Shropshire Damson. European. The well known preserving variety. September.
Wild Goose. American. Bright red, excellent quality. July.

GRAPE VINES

Strong, well-rooted plants, at 25c each; \$2.00 per 10.
 Special prices in lots of 100, 500, or 1000.

Concord. The standard black grape. Late August.
Niagara. The standard white grape. Late August.
Delaware. A smallish red variety, highest quality. Late August.

CURRENTS

Stocky, well-grown plants, at 40c each; \$3.00 for 10.

Cherry. Very large, red, esteemed for preserving.
Fay. A well known favorite; large, red in color.

GOOSEBERRIES

Prices the same as for Currants.

Downing. An old standard sort; large green fruit.
Houghton. Small red berries, but very prolific.
